

Tony's standing ovation

WYCOMBE Wanderers veteran striker Tony Horseman was given a two minute standing ovation at the Rothmans Isthmian League dinner at the Lord's Tavern recently.

'Bodger' was presented with an award from the Blues to mark his marvellous achievement of 519 goals for the club during his 15 seasons. League chairman Mr Barry East presented the silver and bronze platter which was purchased in Teramo during Wycombe's tour of Italy last month.

Wanderers received their prizemoney won last season at the dinner and there were several other presentations. But it was Tony who received the biggest ovation

Tony Horseman receives his award from Rothmans Isthmian League chairman Barry East at the league's dinner.

SAME PRICES

DESPITE a £6,000 deficit on last season, Wycombe Wanderers have resisted the temptation to increase admission charges for the new season. Prices stay at 40p for adults, 30p for children and 20p for O.A.P.S. Entrance to the stand and enclosure remains at 30p.

Club membership is also the same as last year — £6.50 — which includes admission to the 21 home league matches.

The only increase is on junior membership which is up 50p to £4 but O.A.P.'s membership is down 50p to £3. A season stand ticket is £3.50 in addition to full membership.

Blues secretary John Goldsworthy said: "We have made this decision in the hope that more people will be encouraged to attend matches next season."
